### Story

Waterfall tile collection realistically and physically represents slate, an ancient and natural stone. Recreating, on the stoneware surface the iridescence typical of sedimentary rocks, Waterfall has texture, irregularities, and variations in colour, typical expressions of the passage of time.

The Waterfall tile collection is enhanced by PROTECT®, an exclusive antibacterial technology by the Panariagroup.

**Wall** Onyx More Wht Blend Sat & Bamboo Crema d'Orcia Select **Floor** Max Pietra Grey

**Application:** Wall

**Variation:** Shade Variation

**Finish:** Textured

**Price:** S\$700.00/m<sup>2</sup> (before GST)

---

#### Story

With its minimalist appearance that evokes the clean, fluid lines of Oriental design, Bamboo is one of Salvatori's most popular and enduring textures. Inspired by the simple, pared-back forms of the Far East, it brings that sense of calm and harmony synonymous with centuries-old cultures and traditions that venerate the tiniest of details. The seamless grooved lines of Bamboo, running vertically or horizontally depending on preference, are ideal for any environment, with the tactile nature of gorgeous natural stone elevated by this classic, elegant design that is as contemporary today as when it was first introduced in 2003.

*Product by indent only.*

## 04. Max Pietra Grey

**Brand:** Fiandre

**Collection:** Marmi Maximum

**Dimension:** 2500x1000x6mm - large format

**Finish:** Matt

**Price:** S\$14.50psf (before GST)

### Story

Onyx&More tile collection explores the unexpected elegance of onyx: refined, luminous, and poetic, naturally embellished with porphyry, an unobtrusive and informal stone material. From nature, mysterious and unpredictable, born a collection surging with expression that plays with the harmonious contrasts and the chromatic blend that only nature can create.
