

HAFARY GALLERY

The Plaza

Introduction

Inspired by the Italian piazza, The Plaza is the public square of our showroom – it is the gathering space, the centre of public life – the heart and the hearth. Anchored by the Glass House, the Plaza is a space for respite and rest.

We welcome you to take your time here. Please take a seat, make conversations, or simply take time to consider your experience in our showroom, and the products you have seen so far.

Story

Signature tile collection is a tribute to marbles of rare beauty, quality that make them extremely sought-after: Irish Green, originally from Connemara, with whom were made jewels, sculptures and other prestigious artifacts found in ancient palaces, residences and important architectural complexes.

Thanks to its perfect mastery of craftsmanship and polishing techniques, Nexion has created captivating surfaces able to capture the chromatic perfection of the natural stones: the uneven green embellished with translucent white veins of Irish Green.

03. Terrazzo Torcello SB240

Brand: Agglotech

Collection: Linea Seminato Veneziano

Dimension: Slab Size (20mm)
